	11:00 am	Morning Prayer, All Saints, Moddershall
	evening	Confirmation service (?)
30th	10:30 am	Communion, Christ Church

## How to be rejuvenated

---

The world seems to be so busy and under pressure. Who would have thought that life beyond lockdown could be so frantic? It seems that running to keep up is not fast enough. The sustained business and sense of pressure have resulted in many people simply feeling fatigued and that their usual get up and go simply got up and went. The 'to do list' looks too long for the time there is in a day or even a week. It's overwhelming.

Where do we turn at such times? We may have a relative who kindly commiserates with us. We may have a friend who helps us prioritise. We may review our timetable to maintain a better work-life balance. We may escape to the country on a good walk with the dog or find respite in a much-needed vacation. These are important and helpful things to do. But they may not attend to the core issues.

When we read the Bible there are all manner of good things for us to discover both about God and ourselves. The Lord makes many promises, and one comes to mind for such a situation:

*'Do you not know? Have you not heard?  
The Lord is the everlasting God,  
the Creator of the ends of the earth.  
He will not grow tired or weary,  
and his understanding no one can fathom.  
He gives strength to the weary  
and increases the power of the weak.  
Even youths grow tired and weary,  
and young men stumble and fall;  
but those who hope in the Lord  
will renew their strength.  
They will soar on wings like eagles;  
they will run and not grow weary,  
they will walk and not be faint'  
(Isaiah 40v28-31)*

(continued)

We are reminded of the Lord's strength that never fails. The Lord God made everything and is the all-powerful one. Our own strength is limited: whether we are young or older. Like the old advert for Duracell batteries, we might feel like the operated rabbits who come to a grinding halt and need fresh batteries! Strength is found when we come to the Lord. He rejuvenates us so that we can soar on wings like eagles. What a marvellous picture this is! Let's put this to the test and discover how God is faithful to his promises.

*Paul Kingman*

---

## **A world transformed**

Venturing out more, in recent weeks, has been a strange and rather unsettling experience. Like traversing a landscape that seems familiar but strangely altered. The world has changed in ways both subtle and significant. Things just don't work in the way that they used to. As Shakespeare might put it 'the times are out of joint'. Trying to catch my first train to London for two years I arrived at the station to find there was no train, the timetable had been altered at short notice due to driver shortages... I get another one and find there was no mention of a functioning buffet car...no one seems to check tickets anymore on trains or at stations...

With amazing rapidity we seem to have become a cashless society. Perhaps that's why there seem so few street beggars now or is it that they didn't make it through the pandemic? What will become of the Big Issue sellers?

It doesn't seem possible to see a GP anymore, a dentist only after weeks of waiting. My body does not function the way that it used to. Nine months after Covid I still have little taste or smell. The shape of my ministry is much altered. So much more time on screen, so much less time spent travelling.

*(continued)*

Mirroring the changes in society, the Church is also recognisable but changed. Also buffeted by forces out of our control. Bruised and battered by loss of members and loss of income. Yet still there, praying and singing and serving. Buffet cars not always operational, but a warm welcome on offer.

And I am taken back to that strange new reality ushered in by the first Easter morning. The disciples' reaction to the resurrection initially being one of fear. Their difficulty in comprehending the meaning of the empty tomb compounded by their overwhelming sense of loss and grief as a result of Jesus' death & the knowledge that their world would never be the same again. The story of the early church is the story of the followers of Jesus learning to live by faith not sight; deprived of the physical presence of Jesus and the security of living in his slipstream, they stepped out courageously to create a new world of missional communities; spiritually alive, adaptive, dynamic.

The pandemic has taken much of our security away, within the Church and within wider society. There is much fear and anxiety concerning the future, for understandable reasons. But Jesus taught us and then exemplified it through his death and resurrection, that death is the necessary catalyst for rebirth and renewal. The most successful era of evangelisation in church history was in the period following its greatest trauma. As we survey a world transformed, the most imperative qualities required of us as Christian disciples will be vision, faith and courage. There will be much we need to let go of in order to reshape the church for its mission in a changed landscape. But if we hold fast to God in prayer and in our commitment to our daily discipleship, then our future will be aligned with God's purposes and all will be well.

*+Clive Wulfrun (Bishop of Wolverhampton)*

## **Christianity Explored**

---

We all get one life to live and deep down we're all asking the same question – what's it all about?

'Christianity Explored' gives you time and space to consider the big questions of life and to explore the life of the person at the heart of the Christian faith - Jesus Christ.

- You don't need to know anything about the Bible
- You won't be asked to read aloud, pray or sing
- You can ask any question you want, or just listen

Everyone is welcome: from the most sympathetic dyed-in-the-wool churchgoer to the convinced atheist. We will respect your background, culture and beliefs, and you can tell us as little or as much about yourself as you feel comfortable.

Our aim is to help people investigate Christianity in a relaxed and accessible way, and we encourage guests to come with all of their questions. In just a few weeks we won't be able to cover everything, but many people have found the course to be a good introduction to the big issues. You will also get a chance to take away and read one of the eyewitness accounts of Jesus' life over the duration of a course, and there are options for further investigation afterwards if you find you are still interested. Who was Jesus? What does it mean to follow him? Contact Paul Kingman if you would like to attend

---

### **A service for the bereaved**

3.00 p.m. on Sunday 14th November at Christ Church.

We plan to hold a service for the bereaved after a break last year due to restrictions. This service is for any who wish to attend, but please notify us as we have a reduced capacity due to our spaced seating arrangements. We specifically invite those who have been bereaved in the last year or so for whom we have conducted a service, but widen the invitation to any who would find it helpful as a time of remembering.

*Paul Kingman*

<b>Mission Prayer Diary</b>	
	<i>Tear Fund</i>
1st	YEMEN Conflict is making food shortages worse. 80% of the population is suffering acute food insecurity. As well as distributing food packages, we're providing seeds and tools so that people can grow their own vegetables.
2nd	ETHIOPIA Our partner Guenet Church Development supports farmers whose crops were badly hit by locust swarms. Pray that their projects and training will help small-holder farmers to be more resilient
3rd	Have you twinned your toilet? Yes? Well now you can twin your fridge! <a href="http://appeals.toilettwinning.org">appeals.toilettwinning.org</a>
4th	DRC One third of the population is facing acute hunger. Tearfund is working alongside churches to deliver food and cash assistance to the most vulnerable
	<i>Stephen and Tabita Bell are planting churches in Croatia</i>
5th	Varaždin – Our new church location. Pray that we will find our roles in this small church and help to bring in new church members
6th	After a bad spike in virus infections in May, Croatia is now seeing figures decreasing. Church work continues. Vaccines are available but many people are refusing vaccination
7th	Varazdin church has just bought a building and is trying to acquire some adjacent waste ground to use as a car park. Pray that this will work out and make it easier for people to attend meetings
8th	We are back in our house near Sesevete but this is over 45 miles (by toll road) from the Varaždin church. It would be good to find a place we could rent close to the church

	<i>TearFund works with many poor communities across the world. They especially work through local churches and agencies</i>
9th	In Israel Wilhelm Polikhronidi is the manager of a Christ-centred rehab centre in Be'ersheba, helping addicts restore their relationship with God and overcome their addictions.
10th	Somewhere in the Middle East N asks for prayer as he and a team run English and computer courses for Muslim women and young people in prison. Pray that God will open doors to Jesus
11th	In Manchester, Lee Higson runs a charity that uses kayaking, canoeing, powerboating, survival and bushcraft experiences to connect with men and women in areas of deprivation
12th	After several months in the UK, Pat Blanchard has returned to Lima, Peru, where she ministers to over 100 children with disabilities and their families with therapies, workshops and pastoral care
	<i>Our CMS Link Missionaries Tim and Kate Lee helped to set up JigSaw Kids Ministries in Manila (Philippines)</i>
13th	Please pray especially for God's wisdom as Jigsaw seeks to expand its street ministry work. This is with the poorest and most needy families; it has been hampered in part by the pandemic and Jigsaw is seeking how to reach more street children and families despite the movement control orders in Manila. Please pray for God's guidance and wisdom to open doors.
14th	For our family as we start out on a new journey and life in Milnthorpe Cumbria. For James as he starts university in Norwich, for Rebekah as she enters her final year at UEA Norwich, for Grace to make new friends and for Kate in her new teaching job at Penny Bridge school and for a house and a home for our family
15th	Praise God for the way he provides for Jigsaw through the love and hearts of his people. Please pray for the funds that Jigsaw needs to be continued to be provided, especially for the upcoming Christmas appeal that enough funds will be provided for Jigsaw to share the good news of the birth of Jesus through Christmas parties at home this December and for the huge amount of 15,000 pounds Jigsaw needs to buy a new van for its expanding work.

16th	For all those who are sick and in need. Eva Panaligan – for fast recovery from a stroke, Angel Delena -pain in her left breast, Rain Yvon Tajanlangit- who has epilepsy, Noli Libios - lung disease, Hanna Mendoza - protection in her pregnancy, Ian Domingo - Tuberculosis to the bone, Elaine Mae Rodriguez- for complete healing, Mary Anne Grencio -to be operated on for a goitre, Girlie Godilo - kidney problems, pray for complete healing, Eva Soriano – to relieve headaches due to cancer, Morena Siguin -for Ovarian Disease, Aiza Bongcal -Goitre. Pray also for Evangeline Dela Rama, Racquel Orbita and the Caabay family who are suffering from the results of a long term lack of food causing malnutrition. Finally pray for the Tamsi family , for comfort because their mother passed away
	<i>Jonathan and Robinah Beesigomwe live in Gabarone, Botswana. Their organisation is “Bows and Arrows Ministry”, and they work with older schoolchildren and young adults.</i>
17th	A concrete pillar fell on to Jonathan Junior and broke his leg. So he starts university with his leg in plaster. Please pray for healing
18th	Covid situation is really bad and many even in our church have been called home. Schools have been shut for another three weeks.
19th	Pray for a newer car for Ministry. The trail of smoke is scary and mechanics not excited to repair it. We give thanks for seed money that has put Faith car back on the road for a while longer
20th	The future for Jonathan and Robinah is not clear, they are unsure about where they will live and work over the next 5 years. Pray that they will receive guidance
	<i>Mission Aviation Fellowship fly medical personnel, supplies and missionaries to far-flung, often inaccessible settlements</i>
21st	Praise God for the Lesotho Flying Pastors who have been showing the Jesus film, transported by MAF. A Basatha Witchdoctor found faith in Jesus after watching the film.

22nd	The Krayan region of Kalimantan has been cut off from Malaysia due to pandemic road closures. Pray that MAF can continue freeing people from hunger by delivering food to remote areas
23rd	Following a car crash in Liberia MAF flew 5 injured passengers to hospital. In so many places, MAF is providing this service
24th	Do you enjoy a cup of coffee? Some of the remote villages in PNG grow coffee beans which are flown to market by MAF. Next time you make a cup of coffee, use it as a reminder to say a prayer for MAF's work in PNG
	<i>The Bible Society's Bible-a-month club is delivering Bible resources in the Persian Gulf region</i>
25th	Thank God that even though the lives of migrant workers in the Gulf region can be very hard, more and more of them are finding hope in the truths within the Bible
26th	Pray for migrant workers who have lost their jobs and all their income for their families due to the Covid pandemic
27th	Bible Society's Arabic and Migrant programmes in the Gulf are crucial for the Church there and your regular giving sustains them
	<i>Ralph and Dagmar Baron have moved to a school in northern India. No details of their work can be reported for confidentiality reasons</i>
28th	As in all schools, funding has been hit by the pandemic and many pupils are now attending only on-line
29th	Pray for Ralph and Dagmar as they settle in to new jobs with a heavy workload
30th	Pupils who board have not been able to return home for half-term so Ralph and Dagmar have had extra work during this school holiday

At the end of this month of November, the period of Advent begins. For many of us in the benefice from 2007 to 2020 we have met in Christ Church Centre to celebrate the onset of this wonderful season with a very enjoyable evening of shared food and songs, music, poems and readings relevant to this special time of year. Sadly, the onset of Covid 19 and all its implications, meant that we weren't able to get together in 2020 and due to continuing uncertainty, added to the fact that I'm 2 years older, I'm afraid I won't be organising another such evening.

I'd like to take this opportunity to thank all those who made the evenings such a success. Special thanks to Roger for his amazing instrumental contributions and his and Sally's unfailing support from the start. Roger, alone at first and a few years later with Dave Beauchamp on his clarinet, kept us entertained throughout the evening, thanks Dave. Thanks to Arthur and Tricia's help with setting up, and to those who worked so hard setting out the food and keeping the food tables topped up and doing lots of washing up afterwards. We were privileged over the years to enjoy a great variety of talent, instrumental, spoken and sung. I'm sure many of you have fond memories of some of the 'turns' whether serious or funny. There have been so many wonderful performances over the years. Each time Phil and I thought the next year couldn't possibly be as good....but it always was!!

The evenings always started with food (of course!!) and much socialising (those were the days!!!) The entertainment would finally get underway and often a craft item signalled the interval with more enjoyable items to follow. I'd like to thank Paul who brought the evening to a close with a talk reminding us of the meaning of Advent.

Last but not least my grateful thanks to my dear husband Phil for his support over the years making this event the success it was.

*(continued)*

## **“Outstretched arms”**

---

It's the start of the big match. Two boxers touch gloves and immediately assume a defensive posture, their fists up in front of their faces. They are watching for any sign of vulnerability in the person in front of them, which will give them an opportunity to lash out at their opponent.

Contrast this with a parent greeting their child after school or two good friends meeting after a long time apart. They move towards each other, with arms outstretched, totally open one another.

Do we approach other people like defensive boxers, or like joyous parents greeting their children or reunited friends, with arms outstretched? Every hug starts with open arms.

At immeasurable cost, on the cross, Jesus stretched his arms out to us all. Now He welcomes us as His Father's children and in deep friendship when we run towards Him. His outstretched arms are a measure of His love.

(With acknowledgements to “Heaven in Ordinary” by Angela Ashwin)

*Roger Vaughan*

---

## **Advent Social Evenings** *(cont)*

No.....that's not the last thank you. That goes to all of you who came to these fabulous evenings, bringing food in abundance and variety and making each evening such a happy and joyful occasion.

Numbers varied over the years and we averaged 56 overall but in 2014 we had over 80!! That was a bit of a squeeze. Poor Phil was hard put to get everybody seated at a table!!! Happy memories of those special times. Happy Advent everybody.

*Diana Tunstall*

Stephen and Tabita Bell have moved on from the Dubrava church in south Zagreb as that church is now self-sufficient and has a Croatian pastor.

European Christian Mission is working in collaboration with the Croatian Baptist church and other international missionaries. They have a vision for the Varaždin area of northern Croatia. By linking with existing church plants in the nearby towns of Novi Marof and Ivanec, they are working to build relationships that can result in new church plants. ECM is looking for church planters to join this team.

The Varaždin congregation already has two church workers, Pastor Jonatan (Tabita's uncle) and Carla Maria Sestak, a mission worker from Brazil. Stephen and Tabita have joined this team and are looking to support further church development. After renting a building for three years, the church has just bought the building and now hopes to buy some adjacent waste ground to use as a car park, and maybe add a floor on top of the church to provide some smaller meeting rooms. The church is close to the town centre so well-placed to welcome visitors. About 35 to 40 regularly attend services and there are two housegroups. No wages are paid to church workers, all have to find their own financial support from donations.

Stephen and Tabita are now looking for a small flat to rent close to the church, as commuting from Sesvete where they live now, will be difficult.

---

### **New Zoom housegroup**

A new group is meeting on Tuesday evenings– please contact me if you would like to join. We are looking at "Dodgy Christians in the Bible". Dave Bell 01785 815775

Dear friends,

Greetings from Milnthorpe in Cumbria. Thank you for your wonderful prayers and support for us as we transition back to the UK from Malaysia and for your powerful support of Jigsaw in its ministry serving children and families living in need and hardship. Psalm 46:19 has been a strength for us over the last months as we settle back into life in the UK.

*Be still and know that I am God: Psalm 46 verse 10*

Times are challenging especially for children and families in need throughout our world. Yet by God's love we see His light shining through the ministry of Jigsaw bringing Faith, Hope, Love, and a brighter future for so many children each day. We thank each of you and all Jigsaw's supporting churches for your vital role enabling this to happen through your gifts, prayers, and love. Over the last 18 months God has guided Jigsaw to develop 'Jigsaw at Home', which brings the love, care and development activities and fun of Jigsaw's many ministries into the home bringing joy to more than 2000 children in need and over 800 women in the ladies' empowerment program each week. Jesus the light of the world is shining in the darkness and the darkness cannot overcome it.

The pandemic means that poverty is increasing and the situation for thousands of families and children means the need for basic life needs like food and hygiene continues to be desperate. In response God continues to guide and lead Jigsaw and open doors in miraculous ways to respond to these vital needs both through your prayers and your gifts. We Praise God how prayer has empowered the work by Jeannette Jigsaw's Director Jigsaw has recently received a grant from a Filipino organisation in Manila (Praise God for prayers answered) for another vitally needed emergency response initiative. The grant was for 1500 UK pounds and was used to provide emergency food for 750 of the poorest and needy children and families. We also praise God that Jeannette is making links with a call centre which is interested in helping to provide food and funds for Jigsaw's ministry. *(continued)*

Jeannette is also linking with another organisation who are interested in pursuing a partnership to support parts of Jigsaw's ministry for the whole of 2022, Praise God. God is working to build up Jigsaw in its work and sustainability in so many ways.

Health and wellbeing ministry, providing medication and saving lives. By Jenalyn Apiag Jigsaw Social worker.

*The health and wellbeing emergency ministry continues to be a lifesaving ministry for those many family members and children in need of medical attention who could not get to a hospital or clinic for a check-up and medication because of lack of finances and transportation. One sector most in need are children and family members who need continuous medication due to ongoing conditions but have no way of buying or accessing it, putting their lives at risk. For example, one little girl living in extremely poor conditions has epilepsy and often has dangerous seizures whenever she cannot take the right amount of dosage needed for the day putting her life at risk. With this, we continue to give her support by providing the daily medication she needs and by training her mum in how to give the medication and respond to seizures. Emily is a widow with asthma who has two children and cannot go out to find food or work because of her condition which is impacting her children terribly. With the help of Jigsaw's Health and Wellbeing Program, we provide her asthma inhalers, and she can connect with us whenever she needs medical help. These are just two examples of many children and families being empowered through Jigsaw's Health and Wellbeing ministry. Thank you so much for all your help empowering and enabling us to share God's love, respond to needs and save so many children and families lives. God's Blessings and thank you, Jenalyn, Jigsaw Social worker.*

## Lee Family update

---

Thank you for your love and prayers: It's been a whirlwind time since we arrived back to the UK in June and after staying at Kate's parents for two months we have now moved to Cumbria. Whilst praying in Malaysia we felt a clear calling to move to the Milnthorpe area to make a home for our family within a community alongside being a place for Grace's education and a base for Jigsaw and Tim's work. We are not fully sure of all the reasons God has called us here, but we are excited to find out. We praise God he has opened the doors to two temporary spaces to live in Milnthorpe, a garden annex room of a family we know and a one-bedroom flat just next door, (thank you so much to these two families.) This has been so important for us as we share meals, lives, and space together, building friendships and community each day, seeing Grace thriving with a group of families and friends is wonderful. We also thank you for your prayers and we Praise God for Kate's job in nearby Penny Bridge school. Thank you too for prayers for James who has started Uni at UEA and for Rebekah who is in her final year. We Praise God for being in the same country as our family and for great times all camping together over the summer. For our car that has been sold in Malaysia and much more. We especially thank you for your prayers for Hafiq and his family who have miraculously been accepted as refugees in New Zealand and are now in the UNHCR refugee centre in Auckland (a wonderful miracle.) Moving forward we will soon need our own space and place to live but we know we can trust God fully. Things may not exactly look how we thought when we planned to move to Cumbria , but we know we can always trust God for the best plans for us. We will keep you posted on how things develop over the next few months. Thank you so much for all your prayers and support.

*. God's Blessings, Tim, Kate, Rebekah, James, and Grace and all in Jigsaw.*

## Never Judge a Book by its Cover

---

Not long ago, we had a short break in a flat in St Anne's. We found the building quite easily, a pair of tall narrow Victorian semis, in a road not far from the sea. The outside of the house and street had little to recommend it, front gardens had disappeared to be replaced by concrete parking spaces and row upon row of plastic dustbins. No trees graced this road of gaunt brick houses.

We opened the porch door and squeezing into the vestibule we punched a code into the keypad. Ascending a steep and narrow staircase with a suitcase and a rucksack is not easy especially when confronted at the top with a heavy fire door. Three more steps later we were punching a different code into another door followed by another steep and narrow staircase but when we got to the top what a transformation!

Here everything was hi-tech. In the living room a cupboard behind folding doors revealed an entire kitchen with more large appliances than I have in my own kitchen at home. Sleek modern sofas were adorned with cushions and an enormous television dominated one wall.

Surely though the bathroom was a place to behold, here was a smart Bluetooth mirror which gave the time and temperature of the room. My favourite gizmo had to be the washbasin tap which changed colour according to the temperature of the water: blue for cold, green for warm, red for hot and flashing red for very hot!

How different that flat was on the inside compared to the outside. It is indeed more important to look on the inside than the outside as it says in :

1 Samuel 16:7 (New International Version)

*But the Lord said to Samuel, "Do not consider his appearance or his height, for I have rejected him. The Lord does not look at the things people look at. People look at the outward appearance, but the Lord looks at the heart."*

Enid
