# The waiting is over!

There is a lot of waiting to do in life. Waiting for the kettle to boil and the cooker timer to ping are of little concern in the overall scheme of things. But waiting for the day of an appointment, an interview, some surgery, or the return home of a loved one, are a much bigger deal.

During December we have the countdown of Advent. The special advent calendars mark off each day of waiting to celebrate the first coming of Jesus Christ at his birth, but also the season is to remind us of his promised second coming - his final return as Judge of all. But why is Christmas such a big deal?

In our carol services the reading of nine lessons and singing of carols trace out the plan of salvation from promise to fulfilment. One short reading that doesn't always survive the jostling to feature in the final line-up concerns a wonderful promise about a future king: *''The days are coming,' declares the Lord, 'when I will raise up for David a righteous Branch, a King who will reign wisely and do what is just and right in the land. In his days Judah will be saved and Israel will live in safety. This is the name by which he will be called: The Lord Our Righteous Saviour* (Jeremiah 23v5-6). The Lord God promised to raise up a descendant of David whose name will indicate his nature: 'the Lord <u>our</u> righteousness'. This stood in contrast to king Zedekiah (the Lord is <u>*my*</u> righteousness') who was weak, deficient and powerless to prevent the nation's exile.

The Branch mentioned signals fresh growth from the stump of a felled tree and is a title used for the future Messiah who will uniquely combine the office of both priest and king. Under his leadership there would be a fresh exodus, that would be a greater saving act than the deliverance from Egypt. This is what was spoken about on a mountainside by Moses and Elijah when Jesus was transfigured: *'they spoke about his departure* [Lit: 'exodus'], *which he was about to bring to fulfilment at Jerusalem'* (Luke 9v31).

## The waiting is over!... (cont)

So, it's true to say that at Christmas we celebrate how the waiting is over! We celebrate Jesus' birth as the promised Messiah-king who has come. Jesus rescues us from sin and death to give us new life.

I hope that the readers of this article will be especially motivated to come and join in our celebrations. Let's invite others to join as we rejoice.

*Paul Kingman*

## Stafford Street Pastors

Stafford Street Pastors, volunteers from over 10 churches in and around Stafford, have been awarded The King's Award for Voluntary Service for 2024. This is the highest award a local voluntary group can receive in the Uk and is equivalent to an MBE. They are one of 281 local charities, social enterprises and voluntary groups to receive the prestigious award this year.

Stafford Street Pastors is part of the UK wide Street Pastors network. Carrying rucksacks filled with lollies, water, flipflops and space blankets, they go out in Stafford, at the weekend and on strategic dates, such as New Year's Eve and other particularly busy nights, to support those who may become vulnerable on a night out. For more information see the notice board in the church centre. *Diane Aspey*

Isaiah 9:6 "For to us a child is born, to us a son is given; and the government shall be upon his shoulder, and his name shall be called Wonderful Counsellor, Mighty God, Everlasting Father, Prince of Peace."

It is nice for us to know what is going on in Christ Church Academy. So here are a few highlights from the autumn term so far.

There is a lot going on in RE lessons at CCA!

Year 5 pupils have hit the ground running in RE! They have been studying what Christians believe about God and have used music, art and architecture to explore. After learning about the features of a church, the whole school visited church and saw these important items in real life.

Year 6 have been learning about the topic 'Prophecy' this half term and have really impressed with their knowledge and understanding. They have produced some fantastic newspaper reports, imagining what it was like when the birth of Jesus was announced. At Christ Church Academy, they place a big focus on pupils' use of religious language, so much so that lots of the Y6 children are already using key words that are usually expected of GCSE RE students. Even words like 'omnibenevolent' used accurately (and spelled correctly!) in their writing.

The Trinity is the first topic in Year 7 RE. Pupils have tackled tricky concept with great enthusiasm. They have looked at how people use analogies to explain the Christian belief of God being three in one and have completed some really challenging tasks about the different Christian denominations.

In Year 8, pupils have been studying the topic 'Prophecy'. They have learned about the inspiring story of Bishop Dinis who worked to bring about a weapons amnesty in Mozambique. Through his example, they have considered why some people today might be considered to be 'modern day prophets'.

As part of promoting Christian values the pupils often hold fund raising events. Year 7 raised £1,200 for Dougi Mac and 6BE raised £216 to buy items for Stone Food Hub. There were a lot of cakes sold!

Please continue to pray for our schools, especially those working so hard to deliver the Christian message to them. *Maryanne Lloyd*

# Christ Church First School Update

Autumn Term

The first half term has been really busy. We welcomed our new starters into Reception and they have settled quickly, which is wonderful. This year we have also launched our toddler group which is called Mini Explorers and runs on a Friday morning in school. It is lovely to see younger children in school, enjoying our facilities. They use our soft play equipment, sing songs and create wonderful artwork which we display in school.

We have reintroduced our Family Worship mornings and these have been a resounding success. All year groups have shared their learning with parents and we have presented their awards. Reception started us all off with their wonderful songs about Autumn. Year 4 shared tales of Greek gods, Year 3 spoke and sang in French, Year 2 recounted the events of the Great Fire of London and Year 1 sang and shared their learning about the changing colours of the leaves. These were all well-attended.

On 1st October, we held our Harvest service in church which is always a great opportunity to get the whole school community together. We sang songs and hymns and each class shared their harvest poems and sketches. We collected food donations for the Stone Food Bank and delivered these items to them shortly after.

On 5th October, we held our Open Morning. This was really well-attended this year and the children in Years 3 & 4 did a wonderful job of showing our visitors around and the feedback was really positive. We also held 2 stay and play sessions in school for children due to start school in September 2025 so they could get a feel for the school prior to making their choices. This month, we also welcomed the NSPCC into school to talk to Year 2 about how to keep themselves safe.

## Christ Church First School Update... (cont)

On 18th October, the whole school took part in a sponsored walk around the local area. The children and staff in Year 1-4 walked 2 miles around Stone to raise money for new reading materials in school to support our phonics scheme. We would like to thank everyone who was involved as we raised nearly £2,500 for school. We have already bought new sets of readers for Year 2 and will soon purchase new phonics books for Reception and Year 1.

At the end of the half term, we had a whole school "Light Day" for Diwali. The children read stories and created wonderful art and crafts which are on display in school.

*Amy Graham, Headteacher*

## Transform Trade

A Coffee Morning will be held at Oulton Village Hall on Monday 9th December from 9.30 – 11.30am. to support the work of Transform Trade. The money raised will go towards their Christmas Appeal, ' Work without fear', to help women in poor communities who face harassment & danger each day to earn a basic income to feed their families. In rural Bangladesh 49% of the population live in poverty but only 58 % of women are in some form of employment.

At our September Coffee Morning we raised £100 . £110 could fund a farmers' association to recruit & train women to take up positions of leadership so their voices and experience can influence decisions. The Community Shop project which we supported at the Big Brew Coffee Morning in March will also benefit.

All the Traidcraft Christmas cards and Real Advent calendars Ruth ordered were sold by the beginning of November.

Thanks for supporting Transform Trade this year. Can we raise £110 at the December Coffee Morning?

*Sheila*

## Out of the Blue….. Thank You!

I would just like to say a big "thank you" to everyone who sent Get Well Soon cards, flowers, red cross parcels, offers of help and, most importantly, prayers during my recent spell in hospital. I feel very blessed, and your words of encouragement really helped me through the first few weeks after my operation.

Those who are familiar with Monty Python humour will know the phrase "No-one expects the Spanish Inquisition". Well for me a few weeks ago it was more like "No-one expects to end up on the Coronary Care Unit, UHNM". So, it was all a bit of a shock, particularly for my family. Normally I would have freaked out and my anxiety levels would have been through the roof, but I felt surprisingly calm and peaceful throughout it all. Such is the power of prayer. All the time I was surrounded by amazing health professionals who gave clear instructions, were kind and full of encouragement. It was in obeying their instructions that I gained confidence to get moving and so start the long steady journey back to full recovery. I've still got a way to go but every day is better than the day before and I'm convinced that I will be back to normal by the New Year.

*Liz Mason*

## Thank You – Dennis

We would like to say thank you to Dennis (Dylis's twin brother) for taking such good care of the church garden. It gives so much pleasure to church members and also the local community, who walk through the garden.

Many people remark on how beautiful and well-kept the garden is.

We know what hard work it is to care for a garden and Dennis puts his heart into the church garden.

So, thank you Dennis we are all so appreciative of your hard work.

*Chris & Sandra Morray*

# A Gospel of Songs

It's Advent!

Christmas and New Year are on the horizon – but for the church, a new year has just started. The next twelve months at church will be full of readings from Luke's Gospel.

For me, especially at this time of year, Luke's is the gospel of songs. The three great 'songs' – the Benedictus (Luke 1.68-79), the Magnificat (Luke 1.46-55) and the Nunc Dimitis (Luke 2.29-32) all appear early in Luke's gospel.

Each is a song of God's promise fulfilled. In them, Zechariah, Mary and then Simeon each speak about what they long for and see coming. The songs are personal and prophetic, all at once! They are songs of freedom, release, and the coming ('advent') of God's kingdom. They demonstrate a sense of joy that God is taking the burden of sin off humanity.

*Tell Out My Soul! w*ritten, in 1962 by Timothy Dudley-Smith, wonderfully captures this spirit through its reworking of the words of the Magnificat.

Each of these songs is used every day in formal Church of England worship. The Benedictus is the climax of Morning Prayer. The Magnificat appears in Evening Prayer, and the much shorter Nunc Dimitis summarises our night prayer. In Daily Office, we usually speak them rather than sing them, but even so, they flow with their own rhythm and sound. They anchor us and tell our story – a bit like saying the creed together on Sunday morning.

If you are lucky enough to regularly attend daily offices, you will know the power of these three songs. They will have seeped into your soul and you probably almost know them off by heart! Different words will emerge into your mind at different times of day or moments in life.

If you can't attend the daily office, you could join one online (perhaps Lichfield Cathedral, which streams Morning Prayer six days a week).

Or, why not read one of these three songs regularly at your time of prayer? You will be praying them alongside thousands of others each day.

# A Gospel of Songs... (cont)

They will refresh you and remind you of your faith. As you speak them, they will become a way of expressing your Christian desire for the 'advent' of God's Kingdom. It's a desire which you share with me, and with millions of other praying Christians today and every day.

## Christmas Decorations

Prince Albert, husband of Queen Victoria is often credited for making Christmas trees fashionable in Britain but the tradition of decorations and of bringing greenery into our houses and places of worship is far older than that. There are records of decorations for Saturnalia in ancient descriptions from the 5th century BC. Saturnalia fell in mid-December, around the time of the solstice, which is of course when Christmas falls. Decorating trees is also an ancient Celtic custom. A tree would be decorated at the winter solstice as a symbol of life and the Scandinavians did so to celebrate Yule, also a mid-winter festival.

Most of our churchyards and cemeteries contain a ready supply of the greenery traditionally used for decoration; holly, ivy, yew and sometimes mistletoe too. A small contribution towards more sustainable ways could be to increase use of these natural 'decorations' and reduce the need for imported flowers or artificial baubles and lights. You will be following in the footsteps of many generations celebrating both Christmas and the solstice with the hope in a dark season that both bring.

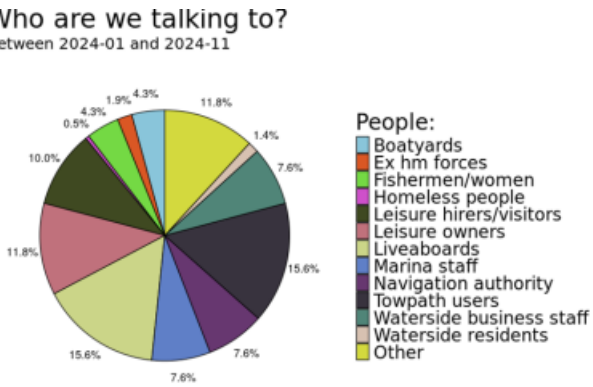
CARING FOR GOD'S ACRE

# Tales from the towpath (15)

**October 2024**

Thought this month you might be interested in seeing what the Waterways Chaplains in Staffordshire Hub have been getting up to since January 2024. These charts show who we have been talking to and what we have been talking about. This is when there are more meaningful conversations than just a Hello greeting – important as those are! In Staffordshire Hub there are 6 Chaplains – myself in Stone, Diane at Barlaston, Amanda & Steven at Shobnall, Andrew at Fradley and Steve at Great Haywood.



I have had many interesting conversations with a range of boaters in varying situations this month. Although the waterways traffic movement is now getting quieter for winter we are still there to support those more vulnerable on our canal network. So please continue to pray for all who use, live on and enjoy our waterways.
